

COMMANDER'S CORNER

Hopefully everyone is doing well during this very hot summer. July felt like August. Hopefully it will not get much hotter. Keep an eye on each other and don't over do it in the heat.

We are planning on our annual membership drive fish fry. Free for all paid members. A good time to pay your dues and enjoy some fish.

Hope to see you around the canteen. God bless.

WORDS FROM THE HEART

Hello to all! August, the eighth month of our modern Roman calendar, is now here! August got its name from the Roman Emperor Augustus Caesar, and since the Romans had named July after Emperor Julius Caesar, they wanted to honor both equally by assigning them 31 days!

The lesson one can get from this bit of info is that no matter how many or how few days there are in a month, we should Love our GOD and His Son JESUS on each and every one of them! AMEN

Another good practice we should have throughout these hot summer days is to highly respect the heat and keep ourselves hydrated and not overdo any strenuous activities. In like manner, if we have close friends or relatives that could be affected, try to do a "Buddy Check" occasionally, especially the elderly and shut-ins! ENJOY YOUR SUMMER.....AMEN to that!!!
